The issuer believes that, at the time of its issuance and based on transparency data made publicly available by the issuer, these covered bonds would satisfy the eligibility criteria for Article 129(7) of the Capital Requirements Regulation (EU) 575/2013. It should be noted, however, that whether or not exposures in the form of covered bonds are eligible to preferential treatment under Regulation (EU) 575/2013 is ultimately a matter to be determined by a relevant investor institution and its relevant supervisory authority and the issuer does not accept any responsibility in this regard.

In response to the ongoing Covid-19 situation in the UK, it was announced on 20 March 2020 that mortgage borrowers impacted financially by Covid-19 should be offered a payment holiday. Where borrowers have made a successful application, they are not considered to be in a payment shortfall and therefore any such missed payments will not be considered as arrears for the purposes of investor reporting.
