

PRODUCT FACTSHEET

About this Factsheet

This factsheet contains the product terms for the Fixed Rate e-ISA. The Financial Conduct Authority is a financial services regulator. It requires us, Yorkshire Building Society to give you this important information to help you to decide whether our Fixed Rate e-ISA is right for you. You should read this document carefully so that you understand what you are buying, and then keep it safe for future reference. It should be read with the General Terms and Conditions as together they explain how your savings account works. You should keep these for your records. It is important that you read all of the terms before you decide to open the account.

Please note we may change the terms of the account and our charges relating to your account for certain reasons. The General Terms and Conditions set out those reasons and how we will notify you of the changes.

For full details of our charges please refer to our 'Charges and Fees Information' leaflet which you will receive when you open your account. Additionally you can obtain a copy at any of our branches or agencies by calling 0345 1200 100.

About ISAs

You can invest in four separate ISAs each year: a Cash ISA (from age 16), a Stocks & Shares ISA (from age 18), Innovative Finance ISA (from age 18) or Lifetime ISA (from age 18). A Lifetime ISA can only be opened between the ages of 18 and 40 and once opened you can invest into the account up to age 50. You can invest in any combination of the four types of ISA in one tax year up to your total annual ISA allowance limit, which is £20,000 for the 2022/23 tax year, however the annual contribution limit into a Lifetime ISA is £4,000. **Yorkshire Building Society only offers Cash ISAs.**

By choosing a Cash ISA you will benefit from tax-free interest. Although Stocks & Shares ISAs are tax efficient they are not completely tax-free. These ISAs are best suited for money that you can leave untouched for at least five years or more.

THE VALUE OF AN INVESTMENT IN A STOCKS AND SHARES ISA IS NOT GUARANTEED AND CAN FALL AS WELL AS RISE AND YOU MAY GET BACK LESS THAN YOU INVESTED

YOUR CAPITAL AND INTEREST MAY BE AT RISK IN AN INNOVATIVE FINANCE ISA AND YOUR INVESTMENT IS NOT COVERED UNDER THE FINANCIAL SERVICES COMPENSATION SCHEME

What is the interest rate?	This product pays a fixed rate** of interest of: <table border="1"> <thead> <tr> <th colspan="2">Annual Interest</th></tr> <tr> <th>Tax-Free† p.a.</th><th>AER*</th></tr> </thead> <tbody> <tr> <td>2.05%</td><td>2.05%</td></tr> </tbody> </table> Whether you need to pay tax is dependent on your own personal circumstances and so may be subject to change in the future. †Tax free means that Interest is not subject to income tax. *AER stands for the Annual Equivalent Rate and shows you what the interest rate would be if interest was paid and added each year. This will enable you to compare more easily the return you can expect from your savings over time. ** Fixed rate of interest means that the interest rate payable on your account will remain the same from the time you open your account until the end of the fixed rate period. Payment of interest ■ Interest is calculated daily on cleared balances ■ Annual interest is paid on 31 August 2023 and 31 August 2024. Can Yorkshire Building Society change the interest rate?	No, the interest rate is fixed until 31 August 2024.						
What would be the estimated balance at the end of the fixed term based on a £1,000 deposit?	At the end of the fixed term on 31 August 2024 your balance would be £1,044.23. We have worked this out assuming a £1,000 deposit is made on account opening on the first day the product goes on sale, interest is added to the account and no further deposits or withdrawals are made throughout the fixed term and the interest earned is added to the account. This is provided for illustrative purposes only and does not take into account your individual circumstances. <i>Continued overleaf</i>

Protecting your interests

To help protect the Society's mutual status, all new customers, for the first 5 years of membership, have to assign any windfall conversion benefits which might be paid to the Yorkshire Building Society Charitable Foundation. What this means is that should any event take place which results in conversion benefits being paid, anyone who has been a member for less than 5 years would not receive the benefit. By opening this account you are agreeing to be bound by the terms of this.

Yorkshire Building Society Charitable Foundation and Small Change Big Difference® scheme

The Charitable Foundation is independent of the Yorkshire Building Society and supports registered charities that our members and colleagues care about. The Charitable Foundation can only continue to do this with the help of the Society's customers who take part in the Small Change Big Difference® scheme. You can assist with that vital work by agreeing to join the scheme, which means that you donate the pence amount of your annual interest (i.e. up to a maximum 99p) to the Charitable Foundation once a year on the same date as interest is normally credited (for monthly interest accounts the donation is made in June). Your branch or agency will be happy to talk to you about this when opening your account or you can find out further information and details of charities that have been supported in your area online at ybs.co.uk/charitablefoundation
