FULL PRIZE DRAW TERMS AND CONDITIONS

Prize Draws

This promotion is open for entries between 19th January 2022 until 31 December 2022 inclusive (the "Entry Period").

Prize draws will take place on the 3rd of each calendar month, starting from March 2022 and ending January 2023. A total of 11 prize draws. If a prize draw can't take place on the scheduled date for whatever reason, we'll hold it as soon as we can thereafter.

Eligibility for the Prize Draw

To qualify for entry into each prize draw:

- Your Make Me A Saver or Make Me A e-Saver (the "Account") must still be open during the Entry Period;
- You must meet the eligibility conditions for holding the Account (see the section on 'eligibility' in the Summary Box); and
- You cannot be an employee for the Yorkshire Building Society. If you become an employee for the Yorkshire Building Society during the Entry Period, you will not be entered into any of the monthly prize draws.

How do I qualify for entry into a prize draw?

To enter any prize draw, the balance on your Account must increase by at least £50, but no more than £150 during the calendar month immediately preceding the relevant prize draw; known as the "Qualifying Month") during the Entry Period ("the Entry Requirement").

For example, to qualify for entry into the April 2022 prize draw, your Account balance must have increased by at least £50 but no more than £150 during the Qualifying Month of March 2022.

If you open the Account with £50, you do not need to increase the balance a further £50 during the same calendar month that you opened the Account to qualify for the following prize draw.

The increase of your Account balance is calculated by comparing the balance in cleared funds at the end of a Qualifying Month with the balance in cleared funds at the start of that Qualifying Month. Save for the prize draw in March 2022 where we will compare the balance in cleared funds at the end of February 2022 with the balance in cleared funds at 19th January 2022.

This means that if you take money out of your Account during a Qualifying Month, you may need to pay some or all of it back in to ensure that your Account balance has increased by £50 from the start of that Qualifying Month, to qualify for entry into a prize draw.

Not increasing your Account by at least £50 in a calendar month does not disqualify you for entry into any subsequent prize draws. For example, if you increase your Account by £10 in May 2022, you will not qualify for the draw in June 2022 but will have the option of entering any following prize draw, subject to meeting the Entry Requirements.

Please see the table below as an example of qualified and disqualified entries into the prize draw:

Balance at start of Qualifying Month	Amount withdrawn	Amount paid in	Balance at end of Qualifying Month	Amount Eligible for prize draw the following month
£150	£10	£70	£210	Yes (an increase of £60)
£800	£100	£140	£840	No (an increase of only £40)

Interest calculated on your Account balance and any prize draw winnings that may be paid into your Account, do **not** count towards the £50 increase in balance you will need to be entered into the prize draw.

An eligible and qualifying Account gives you one entry into each prize draw. If you qualify for entry into the prize draw meeting the Entry Requirement, you will automatically be entered into the prize draw.

When won't I be entered into a prize draw?

You will not be entered into a prize draw in the same calendar month in which you open an Account. For example, if you open your Account on 2nd March 2022, you will not be entered into the prize draw taking place 3rd March 2022. However, you will be eligible for the prize draw in April 2022 if you meet the eligibility conditions and Entry Requirements for that Qualifying Month.

We won't enter your Account into a prize draw if your balance hasn't increased by at least £50.00 in any Qualifying Month during the Entry Period before a prize draw.

We will not enter you into the prize draw if your Account is not open or if you are not living in England, Scotland or Wales on the day of any prize draw.

You cannot be an employee for the Yorkshire Building Society and have an Account. If you become an employee for the Yorkshire Building Society during the Entry Period, you will no longer qualify to be entered into any of the monthly prize draws.

Choosing winners

Winners of each prize draw will be chosen at random from all Accounts entered into the draw. We'll use an automated computer process to do this.

The prizes

The prize for each winner will be £1,500. Ten winners will be selected for each monthly prize draw. If your Account qualifies for an entry into a monthly prize draw and there are 3,000 other qualifying accounts, your chance of winning is 1/300.

Winners

We will notify the winners in writing within 30 days of a prize draw. Any Accounts held by more than one person will be counted as one, and any prize will apply to all of you together. Your prize funds will be transferred to your Account within 30 days of a prize draw.

To indicate that a valid prize draw took place, we may share your surname and the county you reside to anyone who requests within one month of a prize draw. If you object to any or all your surname, county and winning entry being published or made available, please let us know. We may still provide the information and winning customer to the Advertising Standards Authority on request. We may also contact you in respect of post-prize draw publicity events.

Yorkshire Building Society Charitable Foundation and Small Change Big Difference® scheme

The Charitable Foundation is independent of the Yorkshire Building Society and supports registered charities that our members and colleagues care about. The Charitable Foundation can only continue to do this with the help of the Society's customers who take part in the Small Change Big Difference® scheme. You can assist with that vital work by agreeing to join the scheme, which means that you donate the pence amount of your annual interest (i.e. up to a maximum 99p) to the Charitable Foundation once a year on the same date as interest is normally credited (for monthly interest accounts the donation is made in June). Your branch or agency will be happy to talk to you about this when opening your account or you can find out further information and details of charities that have been supported in your area online at ybs.co.uk/charitablefoundation

You have the right to change your mind within 14 days of opening an account. If you do we will help you switch to another account or return your money with any interest earned. Should you wish to cancel the account within this period, please write to Yorkshire Building Society, Yorkshire House, Yorkshire Drive, Bradford, BD5 8LJ or call 0345 1200 300.

Protecting your interests

To help protect the Society's mutual status, all new customers, for the first 5 years of membership, have to assign any windfall conversion benefits which might be paid to the Yorkshire Building Society Charitable Foundation. What this means is that should any event take place which results in conversion benefits being paid, anyone who has been a member for less than 5 years would not receive the benefit. By opening this account you are agreeing to be bound by the terms of this.
