**THE ABOVE PRODUCTS ARE NO LONGER AVAILABLE TO OPEN.**
**Whether you need to pay tax is dependent on your own personal circumstances and so may be subject to change in the future.**
<sup>†</sup> Interest is paid gross i.e. without tax being taken off on all our savings accounts – ISA accounts pay interest tax-free.

<sup>\*</sup> AER stands for the Annual Equivalent Rate and shows you what the interest rate would be if interest was paid and added each year. This will enable you to compare more easily the return you can expect from your savings over time.

<sup>^</sup> Variable rate of interest means that the rate payable on your account can change, and can move up and down

<sup>3</sup> Interest on ISAs is paid tax free. Tax-free means that interest is not subject to income tax. <sup>4</sup> Bonus rate applies for one year from account opening. <sup>5</sup> AER including conditional bonus.

<sup>6</sup> Tiered pays interest at different rates as the account balance increases or decreases. All interest rates are variable.
